Highly functional oil and fat absorbent 『SUPER OIL GRIPPER』

The oil and fat absorbing microfiber tissue “**Supper Oil Gripper**” has
Excellent and fast absorbency of any type of oil without absorbing water
Extreme light weight and extraordinary holding power

- **SUPER OIL GRIPPER** absorbs up to 35 times its own weight.
(Conventional absorbents absorb only 8 to 12 times their own weight.)
- **SUPER OIL GRIPPER** has extreme light weight and fast absorbency
- Having a specific gravity of 0.034, **SUPER OIL GRIPPER** does not submerge in water.
- As it does not absorb water, **SUPER OIL GRIPPER** can be used effectively in water such as oil spills.
- **SUPER OIL GRIPPER** has extraordinary holding power, and it is easy to handle the disposal of used absorbent.
- In the oil spills incidents, it is not necessary to use any synthetic detergent nor neutralizer in addition.
- **SUPER OIL GRIPPER** does not release toxins; and so, it is environmental friendly.

◆ **SUPER OIL GRIPPER** is useful in several different situations

Kitchen Grease traps
at restaurants

Factory oil waste

Oil spills in the ocean

The escape of oil
during installation and
maintenance works
